

THE PIERCE® EXCLUSIVE
GEN 2 HANDS-FREE SCBA BRACKET

Introducing the NEXT GENERATION inertia-activated hands-free SCBA bracket providing easy walk-away operation WITHOUT the hassle of levers or straps.

ALL NEW!

AVAILABLE AS
A RETROFIT
IN YOUR
EXISTING
APPARATUS
SEATS!

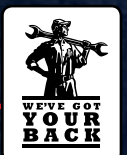

Designed for walk-away use, the Pierce exclusive hands-free SCBA bracket* is simpler, quicker and safer. Inertia locks the bottle in place – without the use of straps or levers. The bracket exceeds NFPA requirements. The hands-free SCBA bracket can be retrofitted into many existing seats.

*SCBA bracket developed with LifeGuard Technologies, a division of IMMI.
