

# RESPOND READY STORAGE SYSTEM

## Your Storage Solution

*Put compartment space to work*

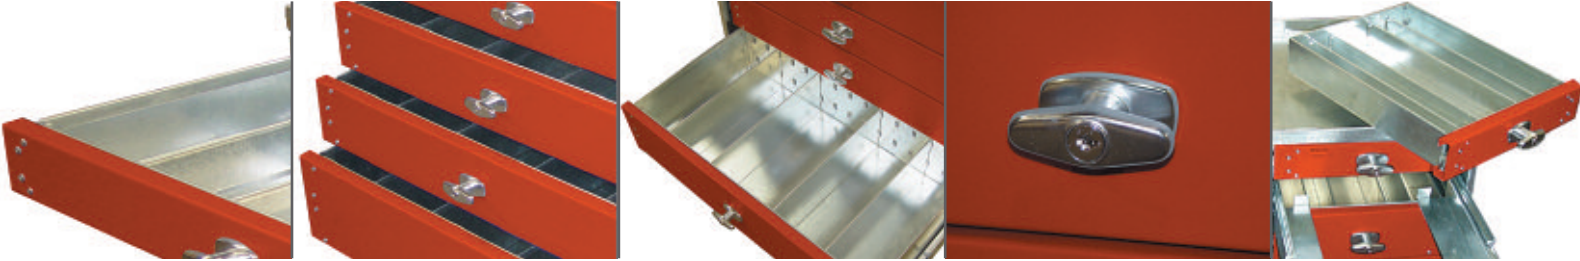

Respond Ready Storage Systems from Pierce will help you organize your gear – from rescue tools to fittings and couplings – in a secure, compact tool case mounted on your apparatus. With ergonomically smart, lockable handles this system makes it easy for you to protect and store your tools and equipment.

Extreme duty calls for extreme parts – trust in genuine Pierce Parts.

Visit [www.piercemfg.com](http://www.piercemfg.com) to find the Pierce dealer nearest you.

# Designed and constructed for fire service duty

Made to resist rust and corrosion with heavy duty 14-gauge galvanized steel sides, Respond Ready Storage Systems are built strong to stand up to tough use. Plus, a smart design including removable drawers for on-the-scene portability, hemmed dividers in each drawer and single-handed locking latches make the units convenient, reliable and efficient.

Drawer edges are hemmed for added strength.

Galvanized components with powder coated 16-gauge drawer fronts.

Four dividers are included in each drawer.

Single-handed latch operation with lock.

Removable 16-gauge drawers for moving closer to your work.

## Easy to install

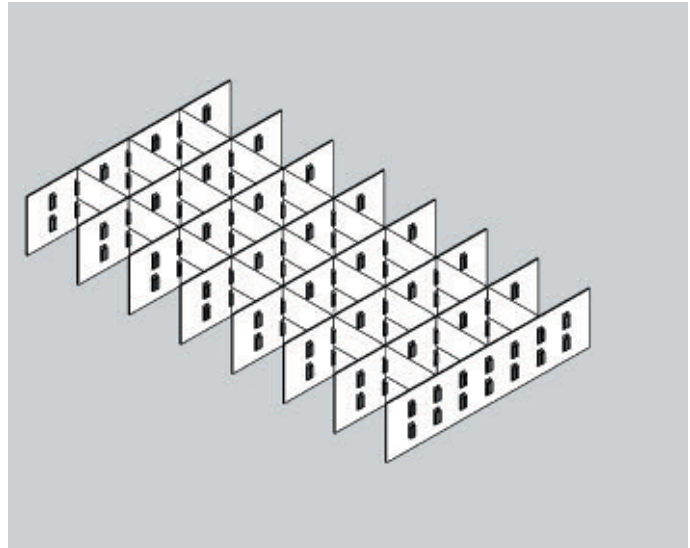

Features such as pre-punched mounting slots and a top shelf that telescopes, make the systems easy for your dealer to install. In addition, it can be bolted to an existing compartment shelf. Typical drawer fronts are powder-coated in red and drawer sizes include: 3", 5", 7", 10", 13" and 15".

## Options and accessories

Trim kit	Slide-out tray
Equipment identification tags	Grey color
Powder-coated frame	Black color

The simple solution to an organized compartment on your fire apparatus.
