

THE PIERCE® EXCLUSIVE

HANDS-FREE SCBA BRACKET

*Inertia-activated hands-free SCBA bracket provides easy walk-away operation **WITHOUT** the hassle of levers or straps.*

**AVAILABLE AS A RETROFIT
IN YOUR EXISTING APPARATUS SEATS!**

Designed for walk-away use, the Pierce® exclusive hands-free SCBA bracket* is simpler, quicker and safer. Inertia locks the bottle in place – without the use of straps or levers. The bracket provides extra safety and security, exceeding the NFPA 9G requirements.

The hands-free SCBA bracket can be retrofitted into many existing seats.

Trust in the performance of Pierce Parts.

* SCBA bracket developed with LifeGuard Technologies, a division of IMMI.
